LEON HESS, Chairman of the Board

"It all starts at the top."

That's a common phrase when talking about the success of any professional operation, and it particularly holds true with the steps taken to bring about the resurgence of the New York Jets.

Chairman of the Board Leon Hess showed his desire to return the club to the forefront of the NFL in 1977 when he revamped the club's administration and overall operation of the team.

Hess has shown patience and commitment towards building a solid foundation. He was rewarded last year as the Jets posted an 11-5 record and returned to playoffs for the 3rd time in 5 years. Hess was honored by the team with the game ball following the playoff clinching win vs. Cleveland. He has seen the club remodel with a mix of veterans and young players to mold for the present and future.

Hess has also fought long and hard to achieve first-class conditions for both the players and fans throughout the years. For a decade the Jets were never allowed to play home games before their fans during the baseball season but that all changed in 1978 when the Jets were guaranteed at least four early season home games.

After citing Shea Stadium as "the NFL's poorest facility for athletes and spectators alike", Hess announced plans to move to the Meadowlands prior to the 1984 season. As a result, the last two seasons, thousands of additional Jets' fans had the opportunity to watch NFL football in comfort and safety, in modern, clean surroundings, with proper facilities, adequate parking and good football sight-lines.

In addition, Hess continued to provide the Jets' players and staff with outstanding facilities by building an ultra-modern lockerroom at the Meadowlands and by installing a new AstroTurf field and an improved weightroom at the Weeb Ewbank training complex at Hofstra University.

In 1983, Hess was an honored recipient of the Distinguished American Award at the National Football Foundation and Hall of Fame Dinner. Past winners of that award have included Vince Lombardi, Bob Hope, Jimmy Stewart, Bill Carpenter and Fr. Theodore Hesburgh.

Hess, the sole owner, has been totally involved in the development of the club since acquiring part of the franchise in 1963. He is chairman of the board of the Amerada Hess Corporation.

3

JIM KENSIL, President

Progress in pro football depends greatly on stability and direction. The Jets believe that in Jim Kensil they have the man at the top to provide these essential elements for success.

In his nine seasons with the Jets, Kensil has stressed communication within the organization and has exhibited strong leadership. Under his guidance, the Jets returned to the playoffs in 1985, the third time in the past five years.

Kensil has worked closely with Leon Hess, Joe Walton, Jim Royer and Mike Hickey to keep the Jets a playoff caliber team by making trades and drafting wisely to bolster the club for the present and future.

During Kensil's tenure as president, the organization has emphasized the building of the club through the draft. In that time the draft has provided 42 players including 19 starters, 5 of whom were named to the Pro Bowl in 1985.

Kensil, who was named the Jets' president and chief operating officer on June 6, 1977, was an administrator for the NFL for 16 years, nine as executive director and seven as director of public relations. Commissioner Pete Rozelle called Kensil, "my offensive and defensive coordinator."

Kensil succeeded Leon Hess, who had served as acting president of the Jets following the death of Phil Iselin in December, 1976. Hess now has the responsibilities of chairman of the board and chief executive officer for corporate matters. Kensil also serves as a member of the board of directors.

Kensil, is a member of the executive committee of NFL Properties and is on the board of the Bert Bell NFL Retirement Plan.

While in the NFL office, Kensil made many innovative contributions and was one of the chief architects of the present NFL scheduling format.

Kensil began his sportswriting career as a student stringer at the University of Pennsylvania. In 1952 he joined the AP in New York prior to serving in the Army in Germany as editor of the Seventh Army newspaper.

He returned to the AP in 1954 where he covered sports, edited the wire and wrote a weekly column about sports on TV and radio. He left the AP in 1961 to join the NFL as P.R. director.

Kensil was born Aug. 19, 1930, in Philadelphia, PA. He and his wife, Catherine, have four children and reside in Massapequa, Long Island. Their oldest son, Mike 30, is traveling secretary for the Jets. They also have two other sons, Joe 28 and Danny 24, and a daughter, Mary Jo 26.

4

JOE WALTON, Head Coach

"I think we accomplished a lot of things last year, but I think we have a ways to go and areas to address in order to be consistent winners," said Joe Walton entering his fourth season as head coach. "I think our program is headed in the right direction. We just have to keep trying to continually add good people and continue to stress competition.

"We have the start of a good program, we have the nucleus of a good young team and a good mix of veterans. The future is in front of us. The experience of playing in tough games last year — winning some big ones and losing some big ones — the experience has to help.

"The most pleasing part was that the guys played hard almost every week, almost every game. It shows the good character and the type of people that our organization is trying to put on this team. They're willing to work and play hard. We're headed in the right direction, but we've got to start again in 1986," concluded Walton.

Walton led the Jets to an 11-5 record in 1985 and a return trip to the playoffs after two 7-9 seasons. The Jets 11 victories equalled the club single season mark set in 1968 and the turnaround from 7-9 to 11-5 was the best in the AFC and tied with Minnesota for biggest improvement in the NFL.

Prior to the 1985 season, Walton made several decisions which resulted in a successful season. He made a bold move to get a more aggressive defense and hired Bud Carson, who installed an attacking 3-4 defense. And it was Walton who realized that young QB Ken O'Brien needed a personal tutor and brought in veteran QB coach Zeke Bratkowski for the job. Both decisions paid off as the Jets' defense allowed the fewest points in the AFC (only 16.5 per game) and O'Brien became the first Jets' QB to win the NFL passer rating championship.

Walton also stressed mistake-free football and saw the Jets lead the AFC and finish second to Chicago in the takeaway/giveaway category with a plus 13. Walton will also continue to emphasize his philosophy of the game — hard work, dedication and enthusiasm breeding success.

"Joe wants a more physical football team," said center Joe Fields. "He wants us to play 60 minutes for 16 games — scratch, bite, kick. Whatever we have to do."

"The Jets started to win again after Joe got rid of cocky people, and got people who will work," added nose tackle Joe Klecko.

Walton took over as head coach in February, 1983, after serving as the Jets' offensive coordinator the previous two seasons, where he

played a major role in the club's successive appearances in the playoffs. With Walton calling the plays, the Jets' offense ranked third in the NFL in the 1982 regular season and produced 454.0 yards per game in playoff victories against Cincinnati and the Raiders.

"Joe Walton brought stability to our offense," said Fields. "He has the knack of patting you when you need it and kicking you in the butt when you need it. He seems to know who to do it to and whom not."

Walton's value is recognized by not only the Jets, but others in the world of professional football.

"I remember Pat Summerall (Walton's teammate on the 1961-63 Giants) telling me that Joe Walton was the smartest player on the field," said CBS color commentator and former NFL coach John Madden. "He said that Joe knew what every player was doing on every play. You had to have him in the huddle."

"I always felt Joe had one of the most creative minds in football," said Hall of Fame QB Y.A. Tittle. "He was trying things way before others did. He was one of the first people to use men in motion. In 1970, he was way ahead of most of the passing theorists in the NFL, the way he dictated what a defense had to do."

Walton joined the Jets in 1981 after coaching with Washington from 1974 and serving as its offensive coordinator since 1978. He is credited with the development of Redskin QB Joe Theismann. Under Walton, Theismann was the second highest rated passer in the NFL in 1979 behind Roger Staubach. Washington experienced only one losing season during his seven years there while compiling a 61-43 record.

"Joe Walton is a special kind of guy," said Theismann. "We became two bodies in one mind while he was here. In his last three years here, I spent more time with Joe than I had with any one member of my own family. I consider the time I was with him an invaluable experience."

Walton was in charge of the receivers and passing game for the Giants from 1969-73. He tutored both Fran Tarkenton and Norm Snead during that era. Snead won the NFL passing championship and went to the Pro Bowl in Walton's last season with the Giants, 1973. Tarkenton went to the Pro Bowl under Walton in 1969 and 1970. Walton did some radio work before joining the Giants' staff as a scout from 1967-68.

Walton was Washington's second round draft choice in 1957 and played four seasons before being traded to the Giants in 1961. He played tight end for the Giants, who won championships in all three seasons he played there. Walton caught 95 passes for 1,321 yards and 17 TDs during that time.

In his overall career he caught 178 passes for 2,623 yards and 26 TDs. Walton was called by Y.A. Tittle "the best third down receiver in the game, bar none", while Walton claims that "Tittle was probably the most influential man in my ideas about the passing game and total offensive picture".

Walton, despite standing only 5 feet 10 inches and weighing 185 pounds, played tight end and linebacker for three years at the University of Pittsburgh and won All-America ranking.

As a rookie with the Redskins in 1957, Walton was originally tried at left cornerback (Don Shula was the right cornerback) before being moved to his natural position, tight end.

His introduction to football came a lot earlier than that, though. Walton's father, Frank, was an All-America guard at Pittsburgh, played in the first College All-Star game in 1934 and went on to play for the Redskins when they were still the Boston Redskins. Walton's father, nicknamed "Tiger", served as a player/assistant coach when the team moved to Washington in 1944-45. In 1946, at the age of 11, Joe Walton started week-ending at Pittsburgh Steeler camps, where his father served as their offensive line coach.

The grandson of Italian immigrants, Walton's family came to this country with the surname Tataseo. "My grandfather, who came over when he was 17, changed our name," said Walton. "He was working

on the railroad and I guess he wanted a name that was easier to pronounce. I heard he used Wilson first, but that was too common, and he kind of settled on Walton."

Although football is a very important part of Walton's life, he is a strong family man who enjoys spending time in his East Islip, NY home. Walton relaxes by jogging every day and playing golf in the offseason.

Walton was born Dec. 15, 1935 in Beaver Falls, PA. He and his wife, Ginger, have three children: daughters Jodi 23, Stacy 21 and son Joseph Jr. 14.

Joe has the most aggressive personality of any NT I've ever seen. Most of the guys who play that position end up absorbing a lot of punishment while teammates reap the benefit. Most are garbage collectors. But not Joe. No matter who's in front of him, he causes problems. Even if he can't get to the QB he compresses the pocket. He'll take his blockers and shove them into the QB.

I'm quite familiar with his moves. Some people call it the "Bull Rush", we call it "The Klecko Skate" because when he hits you, it looks like you're rolling backward on skates. — **Seattle C Blair Bush**

Freeman can find daylight where no one else can. It's beautiful to watch. He makes everything look like it's in slow motion, and he's the only one going fast. — **Jets QB Ken O'Brien**

Freeman McNeil can stop on a dime and give you nine cents change. — **Cincinnati S Robert Jackson**

You know, you talk to Freeman and you don't know where he's coming from sometimes. Sometimes he's a little strange. But when he has confidence, forget it. He'll make you feel strange. — **Jets NT Joe Klecko**

Freeman's not a guy who blows his own horn. He makes the difficult things look easy. That combination has denied some of what should have been accorded. What he can do is go in 5 directions at the same time. He's a lot like Gale Sayers. Gale would come right at you and if you didn't get both arms locked around him, he'd be gone. — **NBC analyst and NFL Hall of Famer Merlin Olsen**

LANCE

his teammates and selected All-AFC by *Pro Football Weekly, USA Today* and UPI...was team's leading tackler (205 total) and also led the club and was tied for 3rd in AFC with 7 INTs, more than any LB in the NFL in addition to 2½ sacks...had best game at New Orleans with a 34-yard INT for a TD, 18 tackles, 1 sack, 1 fumble recovery...was leading tackler in 1982 with 99 total while starting 9 games...gained much deserved national publicity when he saved playoff win vs. Raiders with 2 INTs in last 3 minutes...topped team for 1st time in 1981 (168 total) in only his 2nd season while playing in 15 games —(2@LLB, 13@RLB)...played in 14 games and started 1 as a rookie while playing primarily on special teams...69th player picked in the 1980 draft, 9th LB.

COLLEGE: "Mehl may be as good as any inside linebacker we've ever had at Penn State," said coach Joe Paterno...2nd team All-America (AP and UPI) as a senior...named 1st team All-East by AP and *New York Times*...defensive co-captain in 1979 when he led the Nittany Lions in tackles (99 total) for the 2nd straight season...played in Hula Bowl...had 2 interceptions in 1979 and 4 in 1978.

Mehl is one of the better LBs in the league. You don't hear about him much but he comes in every week and plays consistently. He doesn't get the recognition he deserves. He just shows up and does his job while all the publicity goes to other guys.

I've never been around a QB who has the recall he does. Not too many things get him rattled. It's because he studies so hard. Kenny knows the stuff so well, it comes out like a computer in the huddle. — **Jets' QB coach Zeke Bratkowski**

Shuler's the kind of guy who finds the open spaces in a defense, and when they get him the ball, he catches it. He's the guy getting first downs for them. He gets basketball leverage. He makes you play through him to the ball and that's hard for a defender. You'll get to the ball less than half the time and the rest of the time they'll call you for interference. — **New England S Roland James**

*You always hear the announcers say that if a guy had broken one
tackle, he would have gone 80-yards for a TD. The thing is, Al does it.*
—**Jets QB Ken O'Brien**

*The most amazing thing is what Al does over the middle. That's
where you find out a receiver's worth. Al can go up for it, hold on to it,
come down with it and run with it. That about covers it.*
— **Jets S Kirk Springs**

*Al is a big, tall, physical WR, but he moves like a smaller man. When
you watch him in practice and play, you feel like he should be in the
NBA with those bigger athletes.* — **Joe Walton**

If a player reported to an NFL training camp in a previous year but was not on the active roster for three or more regular or postseason games, his NFL experience is listed as 1.

LIMITED INSTANT REPLAY SYSTEM TO BE USED IN 1986

At the NFL Annual Meeting in March 1986, the clubs adopted (by a 23-4-1 vote) a one-year system of limited Instant Replay of officiating calls for 1986.

The NFL has discussed Instant Replay in some degree or other since the early 1970s. The League experimented in 1976 and 1978 using two basic frameworks—an independent system using cameras, replay machines, and technicians separate from the network covering the game, and a "no frills" approach using existing television coverage.

In 1985, the NFL used the network feed of nine nationally televised preseason games to experiment with the basic system that later was adopted for 1986. A total of 28 plays were examined closely (17 confirmed call, 4 were inconclusive, 1 was reversed, and 6 had no replay shown).

What is the objective of this system?

The clubs feel that on certain plays the telecast viewed by the general public should be used to correct an indisputable error. The system will be used to reverse an on-field decision only when the Replay Official has *indisputable visual evidence* available to him that warrants the change.

Is the television network carrying the game part of the review process?

No. Although the Replay Official will be viewing the live network feed, there is no communication to television personnel as to what plays to show or not to show.

What is the step-by-step procedure of a play review?

The Replay Official will view game action and a play will be replayed immediately on one of the two monitors, while the other monitor continues to record the live feed.

The Replay Official makes a determination if further study of the play is needed. If not, there is no contact with the field and play continues without interruption.

If the Replay Official believes an error may have been made, the Umpire will be contacted (via a paging device worn at the beltline), and he then will use a walkie-talkie for further communication with the Replay Official.

The Replay Official will watch replay(s) on one or both monitors and complete his review within a reasonable period (probably 15-20 seconds) after the play is over. (If there is a time out, the Replay Official would not necessarily be restricted to the 15-20-second period.)

The Replay Official will inform the Umpire of his decision, and the Referee will make the appropriate announcement on the wireless microphone.

The limited Instant Replay system concentrates on plays of possession or touching (e.g., fumbles, receptions, interceptions, muffs) and most plays governed by the sidelines, goal lines, end lines, and line of scrimmage (e.g., receiver or runner in or out of bounds, forward or backward passes, breaking the plane of the goal line).

However, the Instant Replay system will *not* include the following fouls: clipping; encroachment and offsides; grasp of facemask; false start; defensive pass interference; offensive pass interference; offensive holding and illegal use of hands; illegal batting or punching ball; illegal block on free kick or scrimmage kick; illegal crackback; illegal motion; illegal use of forearm or elbow; illegal use of hands by defense; illegally kicking the ball; illegally snapping the ball; intentional grounding; member of the punting team downfield early; illegal formation; palpably unfair act; piling on; roughing the passer; running into or roughing the kicker; striking, kicking, or kneeing; unnecessary roughness; unsportsmanlike conduct; and use of the helmet as a weapon.

1985 JETS GAME-BY-GAME

Sept. 8, at LA RAIDERS, JETS 0 (57,123) — Sunny, warm. The Raiders sacked and pillaged the Jets on opening day in the Coliseum, 31-0. LA's defense sacked Jets' QB Kenny O'Brien 10 times, chased him from the pocket numerous times and held last year's top AFC rushing team to 62 yards. The Raiders' offense, combined the big play passing of Jim Plunkett to Doakie Williams with the running of Marcus Allen to generate a 21-0 first half lead and got a 76-yard interception return from Stacey Toran and a 30-yard FG from Chris Bahr in the 2nd period. The brave O'Brien was 16-29-192-0-2 int. Freeman McNeil was limited to 17-44.

Sept. 15, at JETS 42, BUFFALO 3 (63,449) — Sunny. The Jets got off to a slow start trailing Buffalo, 3-0, but once the plane got off the ground, it zoomed to a 42-3 romp. Freeman McNeil led an offensive attack which produced the 4th most yards in club history (532) and 3rd most rushing yards (288) with the best performance by a Jet runner with 192 yards on 18 carries. He added another 35 yards on receptions and produced 2 TDs. His 69 yard run was the 3rd longest in Jet annals. A revamped offensive line, bolstered by the return of Marvin Powell and Reggie McElroy protected QBs Ken O'Brien and Pat Ryan (1 sack allowed), a complete turnaround from the 10 sacks vs. LA in the opener. The NY defense came up with 4 int. and 4 sacks and the special teams produced a fumble which led to a TD. The Jets produced TD drives of 92, 67 and 85 yards and proved to be opportunists by cashing in on a fumbled punt at the B12 and picking up a score on Kerry Glenn's 15-yard int. return.

Sept. 22, JETS 24, at GREEN BAY (Milw.) 3 (53,667) — Cloudy, mild. The Jets proved to be a tough defensive and opportunistic club as they beat the Packers at Milwaukee, 24-3. "It was a great effort by our defense and our special teams," said Joe Walton. The Jets cashed in on 3 GB turnovers and the defense and special teams kept the Packer offense backed up all day. NY struck for an early score when LB Kyle Clifton recovered a Lynn Dickey fumble at the GB 18 and Ken O'Brien passed 5-yards to Tony Paige for a TD.

ıne Pack got a FG in the 1st quarter to narrow it to 7-3, but it was their last offensive showing. NY's offense, which struggled for most of the game, put together its one solid drive and produced a 25-yard Pat Leahy FG. The Jets defense set up the next score when Lance Mehl intercepted Lynn Dickey at the J20 and returned the ball to the 11 from where Paige ran for a TD. The special teams produced the final score when Tom Baldwin recovered a GB fumble on a fake punt and rumbled 9 yards into the end zone. The "D" limited GB to only 193 yards — 71 rushing and 122 passing, sacked Packer QBs 5 times, made 1 int. and recovered 1 fumble.

Sept. 29, at JETS 25, INDIANAPOLIS 20 (61,987) — Sunny, clear. The Jets had to reach down deep for some big plays and got them as they scored a hard-fought 25-20 victory over the Colts in the Meadowlands to boost their record to 3-1. The defense, weakened by the loss of 3 starting DBs (Russell Carter, Bobby Jackson and Harry Hamilton) in the 2nd quarter, put together back-to-back touchdown preventing stands to protect the win. The Colts were forced to settle for a FG as the 4th quarter opened from the NY 12, then they were turned away without any points when they passed up a FG attempt and went for the 1st down on a 4-1 situation at the NY 4 and were stopped as Marty Lyons made a big tackle. Earlier the Jets scored on all of their first 6 possessions getting 4 FGs of 22, 35, 48 and 45 yards from Pat Leahy and a 39-yard TD pass on a flea-flicker from Freeman McNeil to Ken O'Brien to Kurt Sohn and a 1-yard run from Tony Paige. The New Yorkers couldn't put the Colts away until the final gun and had to have a bold call and big play from Johnny Hector to ice it with a 1st down on a 4-1 situation at the C42 as the clock was running out.

Oct. 6, JETS 29, at CINCINNATI 20 (51,785) — Cloudy, cool. The Jets made it 4 in a row and held on to a share of 1st place in the AFC East with a 29-20 win over the Bengals in Cincinnati. In a hard-fought game marred by penalties against both teams, the Jets kept their cool while the Bengals lost

their tempers and the game. A turning-point in the game was Wesley Walker's tackle of CB Louis Breeden after he intercepted Ken O'Brien at the C6½ yard line and wound up in the end zone for a safety. The Jets came right back with a 58-yard KOR by Kirk Springs and 3 plays and a penalty later, a TD from O'Brien to Mickey Shuler — a nine point turnaround and improved the Jets 3rd quarter lead to 26-13. The Jets added an insurance FG in the 4th quarter and held the Bengals in check until they made a TD on the final play of the game. The Bengals scored the first 3 times they had the ball with Boomer Esiason running 11 yards for a TD and got a pair of FGs of 53 and 29 from Jim Breech, but the Jets countered with Tony Paige's 2-yard run and Johnny Hector's 1-yard dive for a 14-13 halftime lead. NY increased its margin to 17-13 at the start of the 3rd quarter and then pulled away with the safety and TD. Ken O'Brien earned a game ball with 19-28-211-1-1. NY's defense limited Esiason to 12-26-173-0-1 int. and gave up only 89 yards rushing.

Oct. 14, at JETS 23, MIAMI 7 (73,807) — Cloudy, cool. "It was thorough, that's the best I could say. They did a complete job," said Miami's Don Shula after the Jets' 23-7 victory before a national TV audience that also witnessed the retirement of Joe Namath's jersey. "I was very impressed watching their football team. Their run offense, coming off the ball and O'Brien when he had to make plays, he made them. He didn't make any offensive errors. Defensively, they didn't give us time to get much done." The Jets held Dan Marino to his low marks as an NFL starter (13-23-136-0 TD-1 int.) and permitted Miami only 200 yards in total offense. NY's offense, keyed by the play of the offensive line, opened up the lanes for Freeman McNeil —28-173 and permitted O'Brien to complete 18-28-239-0 int-1 TD. The Jets opened to a 6-0 halftime lead on a pair of Pat Leahy FGs of 22 and 18 yards and boosted the margin to 13-0 on O'Brien's 15-yard TD pass to Kurt Sohn. Miami mounted its only drive of the game and cut the deficit to 13-7, but NY regained the momentum with a 10-play, 79-yard drive concluded by Leahy's 3rd FG, this one of 18-yards. With the Jets defense halting Miami's attack, the NY offense drove 62-yards for the insurance tally, a 1-yard run by Tony Paige. The Jets controlled the ball for 23:01 of the 2nd half led by McNeil and O'Brien.

Oct. 20, at NEW ENGLAND 20, JETS 13 (58,163) — Cloudy. Joe Walton put it best: "Turnovers spell trouble." And the Jets, for the first time since opening day when they lost to the Raiders, had more turnovers than the opposition—3 to 1—and bowed to the Patriots at New England, 20-13. The big turnover caused a 14-point swing in the game. The Jets had a 1st down on the NE 1 and the score knotted at 6-6 in the 3rd quarter when Tony Paige fumbled Ken O'Brien's pass. NE recovered and marched 92 yards for the go-ahead score. The Jets came back to make it 13-13 with Paige scoring from the 1, but veteran QB Steve Grogan combined on a 47-yard pass to Stanley Morgan then bootlegged Fryar-3-yards for the winning TD at the 3:27 mark. NE's defense snuffed out the Jets' comeback hopes. The 2 tough defenses limited the early scoring to a pair of Tony Franklin (19 and 44) and Pat Leahy (53 and 52) FGs. The Jets kept the NFL's leading rusher Freeman McNeil out of the game with a cracked rib. O'Brien was 15-31-246-0-1 int. Grogan was 11-32-171-1-1. Wesley Walker was 6-140.

Oct. 27, at JETS 17, SEATTLE 14 (69,320) — Sunny. Defense, defense and more defense did the job until the offense came back from a 14-0 halftime deficit to help the Jets to a 17-14 win over the Seahawks in the Meadowlands. Kenny O'Brien rallied the club with 2 TD passes—16 yards to Freeman McNeil in the 3rd quarter and a 15-yard toss to Wesley Walker with only 5:11 to go in the game. The defense held Seattle to only 7 points—the other 7 came on Jacob Green's 79-yard fumble return for a TD. In the 2nd half Seattle was held to only 68 yards (43 rushing and 25 net passing) and only 5 1st downs—3 on penalties, 1 rushing and 1 passing. Joe Klecko and Mark Gastineau led a pass rush that forced David Kreig into a 4-14-25-2 int. 2nd half showing. McNeil posted his 4th 100-yard day of the season with 22-151. Seattle RB Curt Warner left the game in the 2nd quarter with an ankle injury.

Nov. 10, at MIAMI 21, JETS 17 (73,965) — Sunny, warm. The joy of victory and the agony of defeat were lived by the Jets in a 25 second span in the Orange Bowl as the Dolphins beat the New Yorkers 21-17 in one of the hardest fought and exciting games of the 1985 NFL season. The Jets were trailing, 14-10 and Miami was driving for a score when Bobby Jackson intercepted Dan Marino in the end zone. The Jets then drove 80 yards in 8 plays with Ken O'Brien passing 20-yards to TE Rocky Klever for the go-ahead score with only 1:06 remaining. But Miami gained new life with a KOR to the M44 and in 2 plays went ahead for good, 21-17 on Marino's 50-yard bomb to Mark Duper. The Jets drew 1st blood on Pat Leahy's 21-yard FG in the 2nd quarter, but Miami went ahead on 2 Marino TD passes to Duper (60-yards) and Mark Clayton (27 yards). NY narrowed the margin in the 3rd quarter to 14-10 on O'Brien's 14-yard TD pass to Freeman McNeil. The 4th quarter showdown was next and it spelled defeat for the Jets. The New Yorkers squandered early opportunities to score when Leahy missed FGs of 41, 37 and 42 and Miami came up short on interceptions by Davlin Mullen and Jackson in the end zone.

Nov. 17, at JETS 62, TAMPA BAY 28 (65,344) — Sunny. The Jets got started slowly, trailing 14-0 after only 3:11 of the game, but when they got off the ground, they flew to a record 62 points and 581 yards for a 62-28 win. The win improved the NY mark to 8-3 and kept it tied for 1st place in the AFC East. After trailing, 14-0, the Jets exploded for 17 points in a 4:07 period and jumped to a 41-21 halftime lead. Ken O'Brien led the offensive attack with his finest

performance—23-30-367-1 int-5 TD, tying the 2nd most TD passes in club history. TE Mickey Shuler caught 3 of the TDs to tie the club mark for TDs. The offense, playing without Freeman McNeil (left the game in the 1st quarter with a bruised lower leg), reached a high for total offense with 202 rushing and 379 passing. In the wake of the offensive assault, the defense shut the Bucs down, holding them to the 3rd lowest rushing output in Jet history, 22 yards. James Wilder produced 13 yards on 14 carries and caught only 1 pass for 10 yards. Besides Shuler, O'Brien also hooked up with Wesley Walker (22-yards) and No. 1 draft choice Al Toon (78-yards). Johnny Hector was 21-79-2 TD. In an unusual display of ball control, the Jets had the ball for 14:37 of the 4th quarter.

Nov. 24, at JETS 16, NEW ENGLAND 13 (OT) (74,100) — Sunny. In a showdown battle for 1st place in the AFC East, the Jets came out on top winning in overtime at the Meadowlands over the Patriots, 16-13. New York clung to an early 6-0 lead on a pair of Pat Leahy FGs of 21 yards each. It followed a Tony Franklin 23-yard FG with the 4th longest play in club history, an 88-yard TD pass from Ken O'Brien to Wesley Walker for a 13-3 lead which it took into the 4th quarter. NE closed to 13-10 at the 8:07 mark with a 29-yard pass from Tony Eason (who replaced the injured Steve Grogan in the 2nd quarter) to Cedric Jones. After an exchange of punts, Eason scrambled out of trouble and set up the Pats for a game tying 28-yard FG with 6 seconds remaining to send the game into OT. Defense took over once again and both teams punted twice, but the last NE punt was the turning point in the game as Kurt Sohn returned Rich Camarillo's 51-yard punt, 46-yards to the NE 15. Without hesitation, Joe Walton ordered a Leahy FG try and the 32-yarder was good for the Jets victory and a place alone on top of the AFC East standings. Freeman McNeil tried to play but was ineffective as he was hampered by his sprained ankle. He was 5-9. Johnny Hector, his replacement was 29-97. A key play was Johnny Lynn and Davlin Mullen forcing Irving Fryar to fumble while hurtling for a TD at the NY 1. Two plays later O'Brien hit Walker for the 88-yard TD, a 14-point turnaround, reminiscent of what happened to the Jets at Foxboro.

Nov. 28, at DETROIT 31, JETS 20 (65,531) — Indoors. "The whole team did not play very well." Joe Walton repeated it several times in answer to reporters questions and it summed up his feeling of the Jets' performance in the 31-20 loss to the Lions in the Silverdome on Thanksgiving. The Lions kept their tradition alive of being the better team on Thanksgiving and in the Silverdome in 1985. Eric Hipple led the offense with 4 TD passes (3 to Leonard Thompson) and the Detroit pass rush had Kenny O'Brien for dinner 7 times and forced him into 2 fumbles which they turned into 10 points and a lead that was never really threatened. Detroit had a 17-3 halftime edge on drives of 36, 39 and 43 yards. The closest NY came was 24-13 but the Lions increased the margin to 31-13 on Hipple's 4th TD pass as they salted the game away. Johnny Hector, playing for the injured Freeman McNeil, was 23-114.

Dec. 8, JETS 27, at BUFFALO 7 (23,122) — Dreary, cold. The Jets captured their 10th win against 4 losses as they beat the Bills at Buffalo, 27-7. Kenny O'Brien provided the fire power with 3 TD passes, 2 to TE Mickey Shuler and the big one, a 96-yarder to WR Wesley Walker, the longest play from scrimmage in Jets' history. O'Brien was 25-40-370 yards with 1 int. deflected off of Walker's hands. NY's defense permitted the scrappy Bills quarterbacked by a rambling Bruce Mathison, to gain 436 yards, but turned Buffalo away 4 times inside the NY 8-yard line with no points. The Jets built their 21-0 halftime lead on O'Brien's 20-yard TD pass to Shuler, followed by the bomb to Walker and then Johnny Hector ripped off a 12-yard run for the 3rd score. After 3 unsuccessful forays inside the NY 8 (1st time stopped by a sack by Klecko, then a missed 39-yard FG; 2nd time a fumbled snap at the NY 1; 3rd time a Kerry Glenn int. in the EZ with the Bills at the NY 4). Buffalo scored on Greg Bell's 8-yard run. The Jets added a late score on O'Brien's 2-yard pass to Shuler. Freeman McNeil returned to action and was 27-92 rushing and 4-36 receiving. Jets lost LB Rusty Guilbeau with a sprained knee.

Dec. 14, CHICAGO 19, at JETS 6 (74,752) — Windy, cold. "The weather conditions today took a lot away from their football team and it probably worked in our favor. The wind conditions hurt O'Brien throwing the football and they couldn't do certain things. It was more our weather than their weather," said Bears' head coach Mike Ditka after Chicago beat the Jets, 19-6. "It was a tough day for offensive football with those wind conditions, but it was the same for both teams," said Joe Walton. "We had some chances to make big plays and didn't. The difference was that they did. Things just didn't click for us. Both teams have tough defenses to run against. You have to throw to beat them." With the wind 19-28 mph and the Bears' defense, the Jets couldn't. Only one TD was scored and that by the Bears, which put them up 10-3 after the teams traded 1st quarter FGs. The Jets narrowed the margin to 10-6 on Pat Leahy's club record 55-yard FG, but Chicago added a 31-yard FG in the 3rd quarter and added a pair in the 4th quarter, the last one coming after the Jets went for it on 4th and 10 from their own 20. Chicago's defense held the NFL's top rated passer to 12-26-122-0-0 and sacked him 4 times and caused 2 fumbles. NY's offense could generate a season low 159 yards, 70 rushing and a net of 89 passing. The Jets defense held Walter Payton, the NFL's all-time rushing leader, to only 53 yards on 20 carries and snapped his NFL streak of 100-yard games at 9.

Dec. 22, at JETS 37, CLEVELAND 10 (59,073) — Overcast cold. The Jets, after trailing 7-3 and being tied at 10-10, scored 27 unanswered points to fight their way into the playoffs with a 37-10 victory over the AFC Central champion Cleveland Browns at the Meadowlands. The win assured the Jets of the home field in the Wild Card playoff. DT Marty Lyons summed up the Jets' feeling about the game: "We knew if we got into the playoffs we were going to earn our way in, not go through the back door, and it's an excellent feeling." A big lift came for the Jets when Browns' safety Don Rogers bobbled an apparent interception and the ball wound up in the hands of NY WR Kurt Sohn for a 39-yard TD. The Jets turned a Bernie Kosar fumble (forced by Mark Gastineau) into a 17-10 halftime lead. Then, in the words of Walton, "the Jets came out steaming in the 2nd half. The drive we made on offense got us going. I don't think we were going to be denied no matter what they did." For the day the NY "D" held the Browns to 242 total yards—138 rushing and a net of 104 passing. Cleveland converted 2 of 12 3rd down plays and 1 of 4 4th downs. O'Brien, who was again under constant pressure, was 21-34-251-1-1. Pat Leahy kicked 3 FGs to make it 12 straight.

WEEB EWBANK & JOE NAMATH —
HALL OF FAMERS

Weeb Ewbank, who guided the Jets for more than a decade, was inducted into the Pro Football Hall of Fame on July 29, 1978. Joe Namath, his QB during that time, joined him in the Hall on Aug. 3, 1985.

The former Jets' and Colts' (1954-62) head coach achieved a distinction that will never be matched — the only coach to win world championships in both leagues. Weeb took over a dismal Colts team in 1954 and built them to NFL champs in 1958-59. He joined the Jets in 1963 and developed the team that shocked the Colts in Super Bowl III.

Namath, the Jets' all-time passing leader with 1,886 of 3,762 for 27,663 and 173 TDs, was a Pro Bowl selection 5 times in his career and was the first QB to pass for more than 4,000 yards (1967 in a 14-game season). He was MVP in the Super Bowl III victory.

SUPER BOWL III
JAN. 12, 1969 — MIAMI ORANGE BOWL
NEW YORK 16, BALTIMORE 7

Defying the oddsmakers (17½ point underdogs) and the strength of traditions, the Jets became the first AFL team to win the Super Bowl by rumbling over and through the Baltimore Colts to record a 16-7 triumph.

As it was in the AFL championship contest, Joe Namath led the way. The all-pro quarterback directed the Jets' attack flawlessly, driving the team to a second quarter touchdown by Matt Snell (four yards) and three second-half field goals by Jim Turner. Snell had an outstanding game, gaining 121 yards on 30 carries.

The defense shared at least as much glory as the offensive unit, intercepting the Colts four times. Randy Beverly picked off two; Jim Hudson and Johnny Sample, one each. The defensive unit harrassed Colts' quarterbacks Earl Morrall and Johnny Unitas all afternoon, allowing them to complete only 17 of 41 passes. The victory was the third in World Championship competition in as many tries for Weeb Ewbank and made him the only man ever to coach world champions in both the AFL and NFL.

Through the first three quarters, neither team could penetrate for a touchdown and the score stood at 6-3 for the Chiefs. Jim Turner had put New York out in front, 3-0, with a 28-yard field goal the first time the Jets had the ball, but the Chiefs' Jan Stenerud retaliated with a 23-yarder on the next series.

Not until the fourth quarter did the breaks occur. With first and goal on the one-yard line, three cracks, including a Joe Namath bootleg, failed to bring a touchdown. Turner then kicked a 7-yard field goal to tie it, 6-6.

Two plays later Kansas City was in the end zone. Len Dawson hit Otis Taylor for a 61-yard pass play to take the Chiefs to the Jets 19. Then Dawson fired the final 19 yards to Gloster Richardson for the only TD of the game.

Namath threw 20 passes over the next two Jets' series, but a fourth down incompletion and a Jim Marsalis interception thwarted the Jets and put Kansas City on the road to the world championship.

1981 AFC WILD-CARD PLAYOFF
DEC. 27, 1981 — SHEA STADIUM
BUFFALO 31, NEW YORK 27

In one of the most exciting playoff games ever played, the Buffalo Bills hung on to defeat the Jets, 31-27 as Bill Simpson made an interception on the two-yard line with time running out.

The Bills scored on the opening kickoff when they recovered a Bruce Harper fumble and quickly built that to a 24-0 second quarter lead. The Jets rallied in the third quarter to make it 24-13. The game appeared over as Joe Cribbs busted a 50-yard TD to give Buffalo a 31-13 lead with 10:16 left.

The Jets refused to die, however, and with Richard Todd at the controls, New York scored 2 quick TDs and were now down 31-27 with 3:44 to go. A swarming defense forced the Bills to go three and out and with 2:36 left and the goal line 80-yards away, Todd started the Jets on their march. They drove to the Bills 11-yard line with 14 seconds on the clock, but Simpson made his game-saving interception and the Jets' season ended.

1982 AFC PLAYOFF
JAN. 9, 1983 — CINCINNATI RIVERFRONT STADIUM
NEW YORK 44, CINCINNATI 17

The Jets mixed up solid and hard hitting football with a measure of razzle dazzle on offense and gimmicks on defense to beat the Bengals at Cincinnati in round one of the NFL Super Bowl tournament. The Bengals jumped to leads of 14-3 and 14-10 and were threatening to score again, when the Jets' defense might have made the play of the day. Nickel back Johnny Lynn made an interception at the J1 and with Freeman McNeil leading the way behind an awesome performance by the offensive line, the Jets surged to a 17-14 lead which they never surrendered. McNeil was the "cannon" being shot by Richard Todd 21 times for 202 yards and one TD.

1982 AFC PLAYOFF
JAN. 15, 1983 — LOS ANGELES MEMORIAL COLISEUM
NEW YORK 17, L.A. RAIDERS 14

The Jets spring upset number two in the 2nd round of the Super Bowl tournament, beating the Raiders to enter the AFC championship game. Richard Todd's 45-yard pass to Wesley Walker set up the winning one-yard TD run by Scott Dierking, but it took a pair of Lance Mehl interceptions in the last 3 minutes to wrap it up for the Jets. New York jumped to a 10-0 lead on a 20-yard TD pass from Todd to Walker and a Pat Leahy FG, but the Raiders came storming back in the 2nd half to take a 14-10 lead. The Jets came back to take the lead at the 3:45 mark following the Todd to Walker bomb, but the Raiders still had plenty of time. It looked as if the Jets had put the Raiders away when Mehl intercepted Plunkett at the LA27 with only 2:49 left, but the Raiders got one more chance when they recovered a McNeil fumble at their own 33 with 2:26 to go. Then Mehl made his clinching interception and this time the Jets ran out the clock.

1982 AFC CHAMPIONSHIP
JAN. 23, 1983 — MIAMI ORANGE BOWL
MIAMI 14, NEW YORK 0

On an extremely muddy field at Miami's Orange Bowl, the Jets and Dolphins waged a defensive battle which ended with Miami on top 14-0 to earn a trip to the Super Bowl. A.J. Duhe was the hero of the game which saw a total of 12 turnovers, with three interceptions, returning the final one 35-yards for a touchdown early in the fourth quarter. Woody Bennett ran seven yards for the first Miami touchdown on the Dolphins' first possession of the third quarter, capping a 48-yard, seven-play drive following Duhe's second interception. The poor field conditions severely hurt the Jets' rushing attack as Freeman McNeil, who had rushed for 303 yards in the previous two playoff wins, was limited to only 46 yards on 17 carries due to the footing. It was the first time in NFL playoff history that two teams were deadlocked at 0-0 at halftime. The Jets passing game was also hindered as Richard Todd was intercepted a record-tying five times by Miami. The New York defense held Miami to only 198 net yards, intercepted David Woodley three times and forced three fumbles.

1985 AFC WILD-CARD PLAYOFF
DEC. 28, 1985 — GIANTS STADIUM
NEW ENGLAND 26, NEW YORK 14

New England came out on top 26-14 in a game that saw the Jets self-destruct. The Jets committed 4 costly turnovers which led to 17 Patriots points. New England, which went on to win the AFC championship, played an almost flawless game with no turnovers and ony 1 penalty. The Jets were ahead 7-6, and driving late in the 2nd quarter when Ken O'Brien was intercepted on the 7-yard line. New England came back with a TD pass from Tony Eason to Stanley Morgan on a blitz 6 plays later. O'Brien suffered a concussion on the final play of the half on an Andre Tippett sack and would only play the first series of the 2nd half. Before Pat Ryan could relieve him though, New England added a FG and then scored a TD when the ensuing kickoff was fumbled by Johnny Hector and returned 15-yards by Johnny Rembert. With the Jets trailing 23-7, Ryan came in and directed a TD drive.
